Double Net detail

Our exclusive Designer Series — Smart and good looking

Three adjustment positions so you can get the job done.

Nine rows of long lasting bristles for extra scrubbing power.

Exclusive "QuickLock" design lets you attach any telescopic pole in seconds. No nuts or screws means no corrosion.

Roller bumpers mean smooth sailing — even in corners.

State-of-the-art, contour design creates more powerful suction.

POOL & SPA VALVES**Straight Check Valves & 90° Check Valves**

With technology leading the way, Ocean Blue Straight Check and 90° Valves have been designed for easier, problem-free installation and reliability. They're made of extremely durable CPVC that holds up under extreme pressure. Features a clear lid for quick inspection and our own swivel design that handles both return and intake water with ease. Available in two sizes to meet all your installation needs.

#176101 1.5" Straight Check Valve

#176201 2" Straight Check Valve

#176102 1.5" 90° Check Valve

#176202 2" 90° Check Valve

Lube Free Two-Way Valves and Lube Free Three-Way Valves

Completely maintenance free, these Ocean Blue Two-Way and Three-Way Valves never need lubrication. Featuring our new state-of-the-art design, they will never leak, crack or break, making them one of the most reliable valves on the market today. They're built from durable CPVC and will not falter even under extreme chemical and temperature fluctuations.

#176105 1.5" Lube Free Two-Way Valve

#176205 2" Lube Free Two-Way Valve.

#176106 1.5" Lube Free Three-Way Valve

#176206 2" Lube Free Three-Way Valve

VALVE REPLACEMENT PARTS

Now there's no need to dismantle your entire system just to change a few worn valve parts. Simply order your replacement parts from Ocean Blue.
